

Getting your First Business Web Site

- Are you thinking of getting a Web site but don't want to spend too much until you know that it works for your business?
- Do you want to try out the Internet as a marketing channel for your business?
- Have you limited funds and IT skills but want to promote your business on-line?

We at **InSynch** understand that taking that first step to having an internet presence can be daunting. Many businesses have approached us for a cost-effective solution to testing out the merits of having a business Web site. As a result, we are launching two new entry-level Web site packages that will enable you to have a basic but effective Web site, which can be your first step to effectively marketing and promoting your business on-line.

Starter Web Site

Every business can benefit from some form of internet presence, be it as basic as having an on-line business card that people can easily locate when seeking your contact details.

This package offers you a full page of information, professional looking email addresses and a simple means of making contact. The result is a simple but effective first on-line presence.

- 2 years registration of a .co.uk domain name*
- 2 years hosting
- Up to 2 POP3 eMail addresses
- 2 page Web site (home page, contact page)
- Up to 4 images/graphics included

Cost: £295 + VAT

Starter Plus Web Site

If you wish to have a more comprehensive first Web site this package will enable you to publish more information on your business

and secures the .com domain name of your choice* in addition to the .co.uk version. Again, you will be supplied with professional eMail addresses that are linked to your domain name and an effective means of contact.

*choice of domain name(s) is subject to availability.

- 2 years registration of a domain name in the .co.uk and .com versions*
- 2 years hosting
- Up to 5 POP3 eMail addresses
- 3 page Web site (home page, 1 additional page, contact page)
- Up to 8 images/graphics included

Cost: £350 + VAT

How to Proceed There is a simple form to complete for each Web Site package, which can be found at www.insynchbusiness.co.uk/starter or supplied in electronic or hard copy format by contacting InSynch below.

Terms of Payment 50% of the total cost is payable when you submit your application, with a final 50% payment due on completion of the Web site.

Timescale As soon as we receive your completed application form and deposit payment, we will start working on your site, which should be completed and on the internet within 10 working days (subject to receipt of all required information, text and images). We promise you a quick turn around so that your business can almost immediately start benefiting from its new Web site and on-line presence!

Bespoke Web Site

Please contact us to supply you with a quotation for a bespoke Web site that differs from the standard, entry-level packages illustrated.
